	)	

Pending before the Court is an application submitted by the United States Attorney for an order pursuant to 28 U.S.C. § 1782. The United States Attorney requests that the Court appoint Douglas Johns, Assistant United States Attorney, as Commissioner and authorize AUSA Johns to issue subpoenas and obtain documents and other information from an entity located within the jurisdiction of this Court, namely Google, Inc., in conformity with the Request Letter issued January 12, 2022, by the National Court Administration of the Republic of Korea on behalf of the Seoul Central District Court of Seoul, Republic of Korea, in the matter of *Kim Ji Yeon v. PPKKa*.

The Court has reviewed the documents supporting this request for international judicial assistance as attached to the Declaration of AUSA Douglas Johns, and the Application of the United States, and is informed of the grounds upon which the Request Letter and Application are based.

Pursuant to the power conferred on it under 28 U.S.C. § 1782, and its inherent authority, the Court hereby ORDERS that AUSA Johns is appointed as Commissioner, and is authorized to serve Google, Inc., with a subpoena in accordance with the following terms and conditions:

1. Upon receipt of the subpoena, Google, Inc. shall promptly make a diligent search for the information contained in the Request Letter pertaining to “PPKKa,” an alleged YouTube channel operator, including, but not limited to, the following necessary information: (1) the sponsorship account for PPKKa, <https://www.youtube.com/channel/UCIE2hKVqycauBKmXwawizEg>, which may include the channel or account’s “AdSense registration information”; (2) PPKKa’s address; (3) PPKKa’s contact information such as PPKKa’s telephone number; and (4) the registration information for ppkka.hello@gmail.com, an email account.

2. Absent an objection or motion for protective order filed prior to the expiration of Google’s 21-day notice period regarding the Application or subpoena served on Google, in response to the subpoena, Google shall produce the information described in paragraph 1 above, to the extent it is available.

3. This Order does not require Google to disclose any information that would be inconsistent with its obligations under the federal law including, but not limited to, the Stored Communications Act.

4. Within 30 calendar days from receipt of the subpoena by email, Google shall produce the information described in paragraph 1 above, to the extent it is available, along with a notarized verification signed under penalty of perjury to AUSA Johns, notwithstanding any other paragraph in this Order.

5. Google can, and is authorized to, produce the information described in paragraph 1 above directly to the Seoul Central District Court in Seoul, Republic of Korea, but any responsive information must be sent to the address set forth directly below:

**National Court Administration  
Atten: Director of International Affairs  
219 Seocho-Daero, Seocho-Gu  
Seoul 06590  
Republic of Korea.**

1           6.       If Google produces the information described in paragraph 1 above directly to the Seoul  
2 Central District Court in Seoul, Republic of Korea, it must provide AUSA Johns with a certification  
3 attesting that it responded directly to the Korean Court within ten (10) days of the information described  
4 in paragraph 1 above being produced to the Seoul Central District Court.

5           7.       If Google requires an additional or modified uniform resource locator, “URL,” to process  
6 the subpoena, upon receipt of the requested updated or new URL from AUSA Johns, Google will agree  
7 to provide the information responsive to the Request Letter within 30 calendar days, along with a  
8 notarized verification signed under penalty of perjury to AUSA Johns.

9           8.       This Order does not preclude the United States from filing an amended petition for a  
10 further order authorizing an amended subpoena requesting additional information from Google in the  
11 event the Korean Court requests additional information from Google after reviewing Google’s response  
12 to the subpoena authorized by this Order.

13           9.       This Order does not preclude Google from filing a motion to quash or modify the  
14 subpoena under any applicable Federal Rule or statute.

15           IT IS SO ORDERED.
